What is Financial Aid?

- It is **borrowed, given, or earne**d money that can be obtained from various sources to help pay for college

- Financial aid makes college affordable for you

- It is intended to make up the difference between what your family can afford to pay and what college costs.

If you think you can't afford college, think again.

There's lots of aid out there.

ISAC

Subsidized v. Unsubsidized

- To understand the difference between the two, consider this: *When will interest begin to accrue?*

Direct Subsidized Loan

- Need-based
- Interest is paid by the federal government:
  - While a student is in school at least ½ time
  - During grace periods
  - During deferment

Direct Unsubsidized Loan

- Not need-based
- A student is always responsible for paying the interest
