

iPhone Basics: Week 1

Hannah
Digital Literacy Specialist

Before we start:

1. You can do it!
2. Ask questions
3. Help your neighbor

What is an iPhone?

What is iOS?

Today we will cover:

- Overview of iPhone hardware and software
- Navigating your iPhone
- Intro to iPhone Settings
- New things in iOS12

Next week we will cover:

- Questions?
- Apple ID and the App Store
- Apps:
 - Safari
 - Clock
 - Camera
 - Requests or suggestions?

Questions?

Where to learn more?

For next week:

Please make sure you
have your Apple ID and
Password.

Thank You
